

Defiant Wood-Burning Stove

Defiant shown in Classic Black with optional warming shelves and mitten racks

Defiant

The Defiant provides more than heat: it's a skillfully crafted, timeless piece of American history. In fact, the last original Defiant Parlor Stove is located in the Smithsonian's National History collection. Named over 40 years ago to "defy the wintry blast," today's Defiant does that and more.

Timeless cast iron styling with a furniture-quality finish

Convenient top load keeps smoke and ash contained and increases load capacity

Exclusive swing-out ash pan allows you to cleanly remove ashes, even when the stove is hot

Cast iron griddle top offers a versatile cooking surface for the stovetop chef

For full warranty details, visit www.forgenflame.com.

1: BTU/hr output: 1st hour output uses high burn efficiency number. BTU/hr output will vary depending on the type of fuel used and moisture content of the fuel. 2: See your local Vermont Castings authorized dealer for help in determining the product that best suits your heating needs based on climate and home efficiency. 3: Weighted average LHV (Low Heating Value) efficiency. HHV (High Heat Value) efficiency used to qualify products for Tax Credit beginning in 2023.

IMPORTANT - READ BEFORE YOU INSTALL! Refer to the Owner/Installation Manual for complete clearance requirements and specifications. The images and descriptions in this brochure are provided to assist you in product selection only. Vermont Castings is a registered trademark of Hearth & Home Technologies. Product specifications and pricing subject to change without notice. Fireplace, stove and insert surfaces get extremely HOT and can cause burns if touched. Keep a safe distance away. To learn more visit www.forgenflame.com/pages/fireplace-safety.
